

ADMINISTRATION TO DIRECT UNIVERSITY DAY ON APRIL 23RD

Alumni And Friends Will Be Welcomed To Campus

BIG PROGRAM PLANNED

Classes To Be Excused And Students To Act As Guides

Saturday, April 23, has been set for the observance of University Day when the University of Hawaii will devote itself to the entertaining of alumni and other visitors to the campus. This year University Day is to be an affair of the entire school, sponsored by the entire student body rather than by any one organization as it was last year.

The Aggie club was the originator of University Day, the first one having been held under the auspices of that club last year. The affair was so successful that it has been decided that the university as a whole should take over the program and make it in the truest sense of the word an affair of the entire university.

No Class

There will be no school on University Day, the entire attention of the students being devoted to showing visitors about and entertaining them. The program will last the entire day ending with a luau and smoker in the evening. All of the various departments will have exhibits of their work so that the towns people may see what progress we are making at the university. Ushers will be appointed to conduct visitors about and explain various things to them. The different clubs and things to them. The different clubs and organizations will contribute to

(Continued on Page 3)

Student Translates Drama From French

Miss Evelyn Livingston has translated a play from the French "Ses Maries de la Tour Eiffel" which will be given at the next Dramatic Night.

"C'est une piece de theatre tres jolie et originale dont personne ne parle pas de mot" she says, which means it is a French comedy. This performance is to be something unique in the history of the Dramatic Club, not only because it was translated by one of our own students but also because of the character of the play itself. The play is a pantomime. The only people who speak are the two phonographs. One of them will be Joseph Sweezy who distinguished himself at the last Dramatic Night, and the other is William Lydgate, also prominent on the campus. Martha Wright is managing the properties. The play needs no coach. The characters will coach themselves. The names of the cast will be announced later.

Miss Christoffersen Wins Women's Singles

Miss Regina Christoffersen defeated Miss Helene Bartels in the finals of the women's single tennis tournament held last Thursday at the University courts. This match was to have been played Tuesday, but owing to the heavy rain, it was postponed until Thursday. Nearly one set was completed Tuesday before the rain forced the players to stop, and it was not until the following Thursday that they were able to resume play.

The players were very evenly matched, the first set going to Helene who won six games to one of her opponent. The second set was more evenly contested than the first. Miss Christoffersen took six games while Miss Bartels annexed three. The final set went to Miss Christoffersen 6-4.

The women's doubles have been indefinitely postponed.

H. W. Ching, Wright Win Ka Leo Contests

Twelve Students Try Out In Proof-Reading Competition

Two members of the junior class triumphed when Hung Wai Ching, president of the class, and J. Stowell Wright carried off first honors in the Ka Leo proof-reading contests which were held in Room 105, Hawaii Hall, at 1 o'clock last Thursday afternoon. Twelve students competed in the two contests, under the direction of Prof. John M. Baker.

Two contests were held, the first being a competition in speed and the second in accuracy. Ching won the first contest, when Percy Smith and Chitoshi Yanaga were disqualified for not finding enough errors, though finishing first and second in point of time

Yanaga is Second

Oliver Yanaga, a freshman, scored second place, finishing close to Ching. J. Stowell Wright was a good third. Wright found the most errors, but he was nosed out by the others in point of time.

DEANS TENNIS TEAM TAKES FIFTH MATCH

Rainbow Racketeers Win Over Soldiers By 4 To 1

The Rainbow racket-wielders scored their fifth consecutive victory by trouncing the Honolulu Sector team four matches to one in a regular interclub tournament held last Saturday afternoon at the university courts.

The Varsity tennis team won the two singles matches and captured two of the three doubles contests. Tomosuke Kawahara had a hard time winning the first set from Lieutenant Taylor. But in the second set, the university champion completely overwhelmed his opponent. The scores were: 7-5, 6-1.

Captain Kaneda played his usual aggressive game and easily subdued Sergeant Elert, the scores being 6-4, 61.

Another for Dease

The Dease brothers added another scalp to their long string of victories by triumphing over Adams-Conkling 8-6, 6-4. Black-Cushnie staged an uphill fight and eliminated Branamen-Rassmen 5-7, 6-4, 6-4. Crawford-Inouye put up a gallant fight against Ferguson-McPike; but lost to the Soldiers 5-7, 6-4, 6-8.

Summary:		Sector (1)
Hawaii (4)	Singles	
Kawahara		Taylor
	7-5, 6-1	
Kaneda		Elert
	6-4, 6-1	
	Doubles	
Dease-Dease	Adams-Conkling	
	8-6, 6-4	
Black-Cushnie	Branamen-Rassmen	
	5-7, 6-4, 6-4	
Crawford-Inouye	Ferguson-McPike	
	5-7, 6-4, 6-8	

Dr. L. Neuffer Accepts Position On Faculty

Dr. Leonora Neuffer, who was professor of chemistry at the University of Hawaii in 1925-1926, in the absence of Prof. Richard Wrenshall, cabled President David L. Crawford on Saturday, accepting an offer to resume the same position again, for the coming academic year.

Dr. Wrenshall has been granted leave of absence to complete his medical studies at Yale university in 1927-1928.

Dr. Neuffer graduated from the University of Cincinnati in 1913 with the degree of Bachelor of Arts; won her Master of Arts degree in the following year; and in 1916 was awarded the degree of Doctor of Philosophy.

ASSESSMENTS THURSDAY

The assessments that were decided upon at the student assembly last Friday morning will be collected by a committee of students on Thursday morning, it is announced by Daniel K. Ainoa, president of the A. S. U. H.

Upper classmen and special students who attended the university last year are reminded that the decision reached by the assembled students last Friday calls for an assessment of a dollar and fifty cents a head.

President Ainoa urges every student to "come through" tomorrow, as the money has got to be in the mail tomorrow night.

DORMS TO COMPETE AT DRAMATIC NIGHT

"Society Notes" Chosen For Presentation In Contest

The annual dormitory competition plays will be presented at the next Dramatic Night program which will be given under the auspices of the University of Hawaii Dramatic Club, it is announced by Miss Iris Houston, who has been appointed to take charge of the program.

The play which will be presented is "Society Notes". Miss Lucy Powell will coach the cast from the girls' dormitory, while Richard Rice will coach the Boiler Factory men.

Cast Is Announced

The cast for Chicken Inn is announced as follows:

Mary, the heroine—Miss Iris Houston.
Staunton, the "undesirable suitor"—Miss Betty Boynton.
Mrs. Sedgewicks, the mother—Dorothy Anderson.
Miss Fountain, a society reporter—Miss Doris Hair.
Mr. Sedgewicks, the dissipated father—Marguerite Louis.
Dr. Corre, the "desirable suitor"—Clarissa Coney.

It is rumored that Arthur Wriston will be the heroine in the men's cast, though the rumor is not confirmed.

To Debate Merits Of Uni-Cameral House

Whether the Territorial Senate and House should be combined into a single legislative body is the question which will be debated by the Junior and the Freshman teams in the finals of the interclass contests Monday evening, April 11, it was decided by the debaters Monday.

"Resolved, that the Territory of Hawaii should adopt the single-house system for its legislature," is the way the question is worded. The Freshman team will maintain the affirmative and the Juniors the negative.

Walter Mihata, Mitsu Kido and Richard Kaneko are the members of the Juniors team. William Lydgate, Ah Ho Chun and Shigeo Yoshida are the Freshmen.

Dr. Leebrick Appoints Bachman As Instructor

Paul S. Bachman, who will receive his doctor of philosophy degree from the University of Washington this June, will replace Lewis Hanke, as an instructor in history and political science, Dr. K. Leebrick announces.

Bachman will arrive here in time to take up his duties in September.

Mr. Hanke will leave Hawaii at the end of the school year to accept his post as professor of European History at Beirut University, Beirut, Syria.

University Chorus Begins Rehearsals

Forty-Five Men And Women Attend First Song Practice

Forty-five men and women were present at the initial practice of the University Chorus on Wednesday evening, March 23, at 7 o'clock in Hawaii Hall. Prof. Paul Kirkpatrick started the members singing at 7:05 and kept them working earnestly until 9 p. m. Mrs. Kirkpatrick rendered her service as pianist.

Rules Announced

Practice is to be held every Wednesday evening from 7 to 9 o'clock. To remain as a member of the Chorus, one must be present at all rehearsals. "In order to have a successful chorus, ninety-five per cent attendance must be had at all times," Professor Kirkpatrick announced.

Good Reading Ability

The members showed good music-reading ability. The sopranos, especially, were able to sing right off. The other parts did as well, except that the bases needed training at sight reading. With a few more men voices, the Chorus would have a perfect balance.

DR. KRAUSS PLANS CROP QUESTIONNAIRE

Professor of Agronomy Will Study Agricultural Conditions

A survey of Hawaiian crops will be made by Dr. Frederick G. Krauss through a questionnaire which will be circulated through the territory soon.

The following questions are to be asked: Question number 1 "Acreage of crop" and accompanying this question are maps whereby one can locate his acreage and can specify any future plans he may have under consideration. Question number 2 "Average acre yield of crops under consideration, if known." Question number 3 "Estimated value of crop per acre or as usually calculated (please specify unit value)" Question number 4, "What is the amount (tonnage, bags, cases, cured as hay, threshed as grain, etc.) and value of the finished product." Kindly specify.

Should Give Information

According to Dr. Krauss these questions should yield a goodly amount of information from the small farmers as well as the big farmers. When the answers to the questionnaires are in, the many crops such as taro, rice, wheat, maize as well as pine and cane will be well located and their various possibilities can be better established. Even the forests and the pasture lands are to be checked up and their yields and usages are to be tabulated.

Other questionnaires will also be issued and Dr. Krauss feels that this information should be of great value to potential agriculturists of Hawaii. He says this is essentially an agricultural territory and the sooner some of the young folks realize their opportunities here for scientific farming the better off they will be.

Dr. Kirkpatrick To Be Curator During Summer

Dr. Paul Kirkpatrick, professor of physics, has accepted an appointment as curator of lectures and exhibits at the Hawaiian volcano research observatory, for summer months. The appointment was made by Dr. Thomas Jagger, director of the observatory.

Dr. Kirkpatrick will give a series of popular lectures, besides supervising the geological and seismological exhibits. A new building on Unewakuhuna bluff, from which a good view of Kilauea crater and the pit of Halemaumau may be had, will house the exhibits.

The lectures and exhibits will be open to the public, and to the tourists.

RAINBOW RELAYS TO BE STAGED AT KAM FIELD ON SATURDAY

Third Annual Carnival May See Several Records Smashed

FOUR TEAMS ENTERED

Deans Training Hard For Contest of Speed And Strength

The third annual Rainbow carnival, sponsored by the University of Hawaii. The Varsity team captured the ii, will be staged this coming Saturday afternoon at the Kamehameha School first meet held in 1925 with a score of 87 points. But last year university was tied by Palama for first honors in the trackfest, both teams scoring 66 markers each.

Varsity Has Two Legs

As it stands now, the Rainbow tracksters have two legs on the championship trophy. Should they win the meet this Saturday, they will become the permanent possessor of the Carnival cup. With this in view, Coach "Spud" Harrison's boys are training faithfully every evening at Alexander field.

University's chief contenders, the Outrigger and the Palama clubs, are also practising diligently for this coming track and field classic. They have enlisted the services of former college and interscholastic stars to enhance their chances for the championship. "Pump" Searle, former Dean football and track star, is coaching the Beachcombers; while Tin Luke Wongwai, ex-McKinley and Kansas university sprinter, is tutoring the West-siders. The Army is ably represented by Kah-

(Continued on Page 4)

Hawaii Union Holds Initiation Ceremony

The Hawaii Union held its regular meeting last Wednesday evening at the home of Dr. and Mrs. A. L. Andrews. Most of the members were present, and the initiation of Mitsu Kido and Walter Mihata, two new members, was one of the features of the evening.

"Smiley" Cornelison was appointed a committee of one to see about the purchase of a cup to be awarded the winners of the inter-class debate, which is being sponsored by the Hawaii Union. Details of the coming finals of the inter-class debate were discussed without any definite decision being reached.

A lively discussion of the Philippine question followed the regular business. The chief points of discussion were the racial and religious unity or diversity of the Filipinos. Many interesting points were brought out and all took part freely in the discussion. Refreshments were served just prior to the adjournment of the meeting.

H. L. Kelley Will Talk On Fishing Industry

H. L. Kelly of the Fish and Game Commission of Hawaii will speak to the class in Food Economics on the fishing industry in Hawaii on Friday, April 1, at 11:30 a. m., room 207, Hawaii Hall.

Mr. Kelly will speak from the aspect of the buyer of fish and will discuss the following topics:

- 1—The fishing industry here compared with that of the northwestern coast of North America and elsewhere.
 - 2—Why fish are not so abundant here as we think they should be.
 - 3—The best seasons for the various kinds of fish.
 - 4—The seasons for price variations.
 - 5—The kinds of shellfish and the seasons they are available here.
- Any student who is interested in this lecture is cordially invited to come.

EDITORIAL

AN HONORARY DEGREE FOR THE UNIVERSITY'S "FATHER"

William Kwai Fong Yap has been fittingly called by Lorin L. Thurston the "Father of the University of Hawaii." Back in 1918 and 1919, when this institution was the College of Hawaii, Mr. Yap started and carried through to completion a movement to make the college a university. This he did in the face of steep opposition and at the expense of an enormous amount of his precious time.

In 1918 Mr. Yap wrote to the Board of Regents in regard to his proposition to change the college into a university, with a College of Arts and Sciences and a College of Applied Science, the former offering courses leading to the Degree of Bachelor of Arts and the other to the Degree of Bachelor of Science. A favorable reply was received by Mr. Yap from the Regents, whereupon Mr. Yap conferred with President Dean and Arthur G. Smith.

A petition to the legislature was drawn up, and Mr. Yap began a canvass of the leading men of the community, a project which took him several months. By means of personal interviews, the average of which lasted thirty minutes, Mr. Yap approached some five hundred leading citizens of the community. This was slow, laborious work, especially as Mr. Yap had to convince each person as to the merits of the proposal.

But with self-sacrificing devotion to his project, Mr. Yap persevered, and finally succeeded in securing the signatures of the 500 men, including such men as Wallace R. Farrington, the Rev. Mr. Akaiko Akana, W. D. Westervelt, M. M. Scott, W. O. Smith, W. H. McInerney, Raymond C. Brown, E. F. Bishop, C. K. Ai, Henry B. Restarick, Bishop Liebert Hubert, H. K. Poepe, G. B. Castle, W. P. Frear, Richard H. Trent, A. G. Robertson, A. J. Campbell, J. D. Marques, S. C. Huber, S. Keliinoi, O. P. Soares, John R. Desha, and others.

Mr. Yap presented the petition to the legislature through Senator Charles E. King. After continued agitation and boosting, the legislature finally passed a bill elevating the College into an University, in 1919. And on January 1, 1920, the University of Hawaii began its new life.

The University owes a big debt to William Kwai Fong Yap for this work itself, if not for the other services that he has rendered this institution, including the \$3000 scholarship fund that he raised among the local Chinese people for students attending this university.

Mr. Yap has always been an active supporter of university activities, attending our games, dramatic programs, rallies, and other public affairs. Four of his children have been graduated from college. A daughter, Miss Ruth Yap, taught at this university for some time before going to Columbia university for her M. A. degree; a son, David, is a junior at this university, and president of the University Y. M. C. A., besides being prominent in other student activities.

No man is more deserving of an honorary degree from the University of Hawaii, in token of appreciation of his services to the institution, than Mr. William Kwai Fong Yap.

UNIVERSITY ASSEMBLY

Last Friday's assembly served to point out in a very striking manner the poignant need for an auditorium. Practically the entire student-body attended the meeting, which was held on the front steps of Hawaii Hall. Many of the students could not even see those who spoke, because of the great numbers of men and women who assembled, filling every possible standing place on the porch and steps to over-flowing.

That student interest in campus affairs is not dead, but merely slumbering because of lack of adequate facilities for expression, through student assemblies, was conclusively shown by the keen interest taken by the students in the discussion held at Friday's meeting. Following the assembly the opinion was commonly expressed that such assemblies were very helpful towards building a greater university spirit. And that such assemblies should be held regularly throughout the year.

We should have a weekly assembly. One hour a week ought to be set aside by the Administration as an all-university assembly hour, with no classes meeting at that hour, and every student expected to attend the meeting. With a hustling committee in charge there is no reason why a good program could not be offered at each weekly assembly. Informal concerts, debates, dramatic programs, open forums on various live campus and world issues, talks by noted visitors and others, and the like, could be arranged for the assemblies.

Some years ago the hour from 11:30 to 12:30 on Fridays was the official assembly hour. Why not again, next fall?

We urge the immediate consideration of this proposition of an assembly hour, by the Governing Board. This is a matter of vital concern to every student of the university. If a favorable decision is reached early enough, the Registrar will have plenty of time to plan out next year's curriculum, with the assembly hour included in the week's schedule.

RAINBOW RELAYS

The Rainbow Relay Carnival, given under the auspices of the University of Hawaii athletic department, will be held at Kamehameha Field this Saturday, starting at 1 o'clock. A cheering section has been reserved for university students and alumni. How about filling it up? This is a university project, deserving of the full support of the student-body. Tickets are being sold today to holders of A.S.U.H. cards at reduced rates. Get yours now, and back your team.

It has been reported to the editor that a few members of the track team have not been doing serious training for the races. That's a shame. Many and many a team loses before it enters a meet, because of over-confidence, and lack of proper training. Men, it's wrong to ask the student-body to boost you at the races if you're not determined to go out and do your very utmost in the various events. We do not ask for victory. But we want our teams to do their very best, and we ask you to get down to business. We're with you, heart and soul. We'll be pulling for you in everything you do Saturday. Get out and burn the cinderpath. On, Hawaii!

AUDITORIUM PETITION

It is expected that a bill will be introduced in the legislature soon, providing for an appropriation of funds for the construction of an auditorium for the university. The petition from the student body was presented to Senator Charles Rice, of the legislature, last week, and he has pledged his best efforts to win the favorable action of the legislature on the subject of the petition.

We await the news from the legislature with intense interest. It is in the power of the solons to give or to deny us this building which we so sorely need, and we fervently hope that they will exercise the former power, and appropriate the necessary funds for the building.

THE SOCCER TEAM

The soccer team closed its first year with an impressive record. Out of eight games played, the varsity team lost only two games. It won four and tied two, and stood third in the league, losing the first place to the Ironworks eleven by a mere two points. In all the games played only four goals were scored against the Rainbow eleven, which is a league record for the season. In the league series, the Deans defeated the powerful Celtics, the cup champions, by 2 to 0. The team was also the first to score against the Rangers, who had hitherto boasted an unscored net.

The soccer team was handicapped by lack of active student support and lack of equipment and funds. We hope that in the coming year more student help and financial aid will be given the men. The soccer team, through Captain Das, desires to express its thanks to the people who helped to make its first year a success. Ka Leo extends to the team, and to Coach Rugh, Captain Das, and Manager Giacommetti, hearty congratulations for their good work, and best wishes for an even more successful season next spring.

SMOKING REGULATIONS

Elsewhere in this issue are printed the regulations adopted by the A.S.U.H. regarding smoking on the campus. Read them. And let's abide by them. Good campus citizenship must be based on a proper respect for, and observance of, the rules that are decided upon by the student-body government. We recommend to the executive committee that students who violate the rules be fined 25 cents on first offense, and a dollar on the second. On third offense the student should be reported to the Faculty Discipline Committee for disciplinary measures, and his A.S.U.H. membership should be taken away from him. We've got to put teeth into our rules. Let's mean business when we make rules.

THE WAR IN CHINA

A nation is in the travail of a civil war. It is seeking to establish for itself a stable government, which can adequately maintain order within its borders and peace with the nations of the world. Already, China is recognized as a member of the family of nations, if her admittance into the League of Nations and her participation in the Washington Conference are considered. A sovereign nation, undergoing civil war. A similar condition to that through which the United States passed back in the '60s.

That much of the story would read perfectly well. But that is not half of the story. Under the contention of allegedly necessary protection of their nationals, the foreign powers have sent gunboats and armed troops to China, where today they are shedding Chinese blood, bombarding Chinese towns, and virtually waging war on the nation's population. This is a shame and discredit to every foreign nation involved. The other Powers have no right to meddle in China's internal affairs. What if foreign nationals are killed or wounded? A civil war in America would similarly involve every inhabitant, citizen or otherwise. Shall we say then that every foreign Power has a right to send gunboats to "protect their nationals?" Let China clean house her-

COLLEGE WORLD

Ohio State University

Expenses of the typical American college have doubled in the last 50 years, according to a professor of this university. He says this is due mainly to higher costs in comfort and increased salaries for teachers.

University of Michigan

The employment office of the university has obtained positions for 1,729 students during the last year.

Princeton University

A recent census of the Princeton Commons revealed that 25 per cent of the students at Princeton never eat breakfast.

University of Denver

The English department has advanced an original reason for taking English. Members of the department say that the college man bent on romance must know how to say more than just "goodnight" to his lady love.

Stanford University

University women will no longer be forced to smoke in stuffy rooms behind locked doors—and burn incense before leaving. After many secret discussions the women's conference declared in favor of a liberalized smoking rule by a vote of 68 to 1. By the new rule, women may not smoke in public places, but may decide for themselves as to whether they shall smoke in their living groups.

University of Illinois

Students who own automobiles at the university have to register them with the dean of men and furnish him an accurate mileage record at regular intervals. They may not drive out of town without his permission.

Willamette University

Few, if any, students in Willamette university are atheists. This was discovered recently when 304 out of 308 students expressed a belief in God, the remainder leaving the question unanswered.

Cornell University

Fencing has become so popular at Cornell that matches have been arranged with other colleges.

University of Denver

Doors of sorority houses at the university will be closed and locked at 8 o'clock on Monday evenings so fraternity men will attend their meetings more promptly.

FOLKS AND ME

It's a funny thing, but true,
That folks you don't like, don't like you;
I don't know why this should be so,
But just the same I always know
If I am "sour," friends are few;
If I am friendly, folks are too.
Sometimes I get up in the morn
A-wishin' I was never born;
I make of cross remarks a few.
And then my family wishes, too,
That I had gone some other place
Instead of showing them my face.
But let me change my little "tune,"
And sing and smile, then pretty soon
The folks around me sing and smile;
I guess 'twas catchin' all the while
Yes, it is a funny thing, but true,
That folks you like will sure like you.

—Anonymous.

STUDENT CALENDAR

Starting with this issue of Ka Leo, the editor is starting a student calendar. The cooperation of the students, particularly the various clubs and the four classes, is requested. The editor hopes that by this calendar, there will be less conflicts of dates for students activities. Turn in your dates now. Drop your notes in the student mail box, under "S."

RATS AND ROACHES

Rats, cockroaches, and various insects have been found in the university swimming tank from time to time. It may be impossible to keep flying insects from the water, but surely something can be done about the rats and cockroaches. A few rat traps and some roach poison ought to clear up the place. This is not something that can be postponed indefinitely. Whoever is in charge of such matters should war on the rats and roaches at once.

self, without the unnecessary, wrong meddling of her neighboring Powers.

KA LEO OPEN FORUM

AGGIES PAID UP

March 28, 1927.

Editor Ka Leo.

Sir:—Will you kindly publish this letter to correct a statement made by President Dan Ainoa before the student body assembly last Saturday morning?

Reference was made by Mr. Ainoa to the financial obligation which the Aggie Club still owed to last year's Ka Palapala. To clear any misunderstanding on the part of the student body I would like to say that the club has paid off the Ka Palapala debt a long time ago.

It is regrettable that such biting and irresponsible remarks should have escaped the lips of the president of the student body. Whether the statement was made through mere ignorance of the actual state of affairs, or made in a burst of enthusiasm, or was merely a personal sentiment I hope that the members of the Aggie Club and the student body would interpret it in a friendly way. We all make mistakes!

Thank you for your valuable space.

Respectfully yours,
ISAAC IWANAGA,
Secretary, Aggie Club.

CAMPUS CALENDAR

MARCH

Wednesday, March 30, 12:30 o'clock.
Pre-med club meeting, Room 103.

Wednesday, March 30, 7 p. m. Room 107, Hawaii Hall. University Chorus. Full practice.

Wednesday, March 30, p. m. Commerce club meeting at Blaisdell. Consul-General Kuwashima speaking.

APRIL

Friday, April 1. H. L. Kelly, lecture on Hawaiian fishery. Room 207. 11:30 a. m.

Saturday, April 2. Rainbow Relay Carnival. Kamehameha Field. 1:30 p. m.

Sunday, April 3. "Sword of the Samurai." Central Union parish house. 7:30 p. m.

Saturday, April 9. A. A. U. track and field meet. Kam field. 1:30 p. m.

Saturday, April 9. Sophomore-Senior dance.

Monday, April 11. Junior Freshman debate, for interclass championship. Mission Memorial hall. 8 p. m.

Thursday-Friday-Saturday, April 14-15-16. University Y Conference. Waialua Fresh Air Camp.

Friday, April 22. Preliminaries, Berndt Oratorical contest. Hawaii Hall 7:30 p. m.

Saturday, April 23. University Campus Day. All day till 10:30 p. m.

MAY

Friday, May 6. Berndt Oratorical contest. Mission Memorial hall. 7:30 p. m.

Saturday, May 28. Final exams start. Till June 4, Saturday.

University Day Will Be Held on April 23

All-Day Program Being Prepared For Campus Affair

(Continued From Page 1)
the program of the day, and all will cooperate in making the second University Day one of the biggest events of the school year.

The agricultural department will have the farm as its main exhibit, with the addition of models, and other material of interest which will be shown in their laboratory. The art department is to have quite a display of the accomplishments of the students, as well as all other departments where such a thing is possible. The guides and ushers will be chosen from the departments through which they are to conduct visitors, so they will be able to explain the various exhibits to any who are interested.

Good Program Offered

The entire day will given over to making visitors better acquainted with our university, but in the afternoon a special program has been arranged for the entertainment of those who take advantage of University Day to inspect the university. The program will include a horse-shoe tournament, an R. O. T. C. tournament, a baseball game, and a band concert. The feature of the evening will be a regular Hawaiian luau, tickets for which will be sold on the campus. The price asked for these tickets will be one dollar, which will entitle the holders to the feast, (and it will be a real feast too) to the Hawaiian program which will be given during the luau, and to the smoker to be staged after the luau.

Every One Invited

The various organizations on the campus are to lend their support to the making of University Day a success. The students will be expected to boost the affair and invite their relatives and friends. The entire object is to bring the university into closer contact with the people of Honolulu, and to enable them to form a better idea of what the university is doing. There are no limits or qualifications as to who may attend. Everyone is asked to come; all who do come will be welcomed; and all who do come can be assured of an interesting and enjoyable day during which they will become better acquainted with the University of Hawaii.

Juniors, Seniors Are Invited To Conference

An invitation to the students of the university to attend the Social Work conference next month has been received by President David L. Crawford, from Chicton S. Childs, president of the seventh territorial conference of Social Work.

Mr. Childs writes:

"I am writing to extend an invitation through you to the students of the University especially Juniors and Seniors, to attend the 7th Territorial Conference of Social Work sessions.

"This Conference is to be held in Honolulu at Mission Memorial Hall on the 9th of April this year. We are extending this invitation thinking that perhaps some of these University students might become interested in Social Service in the Islands and find an interesting as well as profitable profession to work into. Our Territorial Conference this year will last for only one day as such, but there are a number of sessions of the Pan-Pacific Educational Conference which are directly in the line of Social Work and which we are expecting delegates to attend also during the following week.

"As far as our Conference is concerned we have invited speakers from the mainland as follows: Mrs. Reeve, National President of Parents' Association, Surgeon-General Hugh Cummings, U. S. Public Health Service Treasury Dept., Dr. Tiggert, Commissioner of Education, Mr. Stephen T. Mather, Director of National Park Service. Locally Mr. John R. Galt, Mr. Walter F. Dillingham will address the Conference and Miss Frances Seibert, Girl Scout Director of the Maui Council Girl Scouts will give a paper on the general topic of health work. All sessions of our Conference and I think all sessions of the Pan-Pacific Conference will be open to such students as would like to attend.

Balltossers Lose Two Games, One Afternoon

The university balltossers were defeated in both games of a doubleheader pulled off last Saturday afternoon at Moiliili field. They lost the first contest to the Hawaiian Pines by the score of 3 to 13; and the second tilt to the Liberty House nine by the count of 1 to 5.

First Game

Coach Otto Klum's boys started off auspiciously by shoving across two counters in the opening canto. Joe Gerdes cracked a double. Captain Nishihara secured an infield hit. Then Izumi hit a three-bagger, Gerdes and Nishihara scoring on the hit.

The Pines were not to be denied however, as they retaliated by tallying six runs in their half of the same inning. They scored five more tallies in the fourth, and added two extra in the lucky seventh.

Held scoreless for seven consecutive frames, the Deans came back and registered their last run in the final inning. The fracas ended: Pines 13, Hawaii 3.

Second Contest

In the second tilt the Varsity nine played better baseball. "Lefty" Ishii twirled a great game until the fatal seventh, when he was nicked for three hits and three runs.

Joe Gerdes started the fireworks for the Deans by scoring a homer in the initial inning. After that, however, Hawaii was held runless by the Fort Street Retailers.

The Merchants overcame university's lead by tallying two markers in the last half of the second frame. They increased this lead by securing three more tallies in the lucky seventh. Final score: Liberty House 5, Hawaii 1.

Joe Gerdes Scintillates

Joe Gerdes was the Deans' star of the day. The Varsity left-fielder scored a double and a run in the opening game, and knocked a homer in the final contest for Hawaii's lone marker. Captain Nishihara garnered two hits and scored one run in the first contest, and crashed a single in the second fracas. Izumi cracked a double and a triple and tallied one run in the opening battle. Ed. Fernandez had a perfect day afield, collecting a total of four putouts and five assists. Nakamura hit a double in the premiere and a single in the finale.

Misses Lemmon Honor Friends at Dinner-Hop

Miss Juanita Lemmon and Miss Margaret Lemmon, daughters of Major and Mrs. Fred L. Lemmon and popular students at the University of Hawaii, were hostesses at a dinner party on Friday evening at the 19th Infantry Officers Club.

Their guests included Miss Regina Christofferson, Miss Helene Bartels, Miss Mary Gertrude Leubberman, Miss Eleanor McKenzie, Mr. Adna G. Clarke, Jr., Mr. Daniel McCoy, who are all University students, and many of the younger set at Schofield Barracks. Later the party attended the weekly hop at the Field Artillery Officers' club.

Honor Two Girls

The party was given in honor of Miss Helen Bartels and Miss Regina Christofferson.

The guests met in the spacious club room of Major and Mrs. Fred L. Lemmon. A huge fire roared in the fire place, in front of which the guests were seated at one long table. The color scheme of pink was strikingly effective.

A long green basket filled with snap dragons and gladioli ranging from pale pink to deep rose, was placed in the center of the table, and smaller baskets of the same flowers were at each end. Tall pink candles in silver holders gave the final note of color. The party, 26 in all, later attended the dance given by the 13th Field Artillery at the Artillery Club.

Six Matches Played In Men's Tournament

Wilson Cup Competition Sees Fast Tennis Games

With six matches concluded during the weekend, the annual Varsity men's singles championship is making rapid progress.

In the first round, all the favorites emerged triumphant in their duels. Crawford beat D. McCoy 6-2, 6-4; Carl Mirikitani defeated McFarlane by the same score; and Shitamae eliminated McGerrow 6-3, 6-2. In the only second round match played during the week, Mirikitani barely vanquished Crawford, the scores being 8-6, 0-6, 6-4.

The Dease brothers advanced to the fourth round by disposing of their opponents in easy fashion. Maitland trounced J. Low 6-3, 6-2; while Donald subdued D. Yap 6-1, 6-2.

Wilson Cup To Winner

The winner of the tournament will be awarded the Wilson trophy, the donor being William Wilson, former captain and singles champion of the Varsity team. The first cup was presented for competition in 1924. That year S. Yamaguchi captured the trophy. In 1925 H. Wicke won the Wilson mug; and last year T. Kawahara coveted the prized cup. Every year a larger and handsomer cup is offered for competition. This year's trophy is a beauty, which is inspiring the contestants to play their best tennis.

SMOKING RULES

Smoking is prohibited in the following places on the campus, according to the regulations adopted and revised by the A. S. U. H.:

HAWAII HALL—Halls, lanais, stairways, front steps and abutments, all classrooms including those in the basement, and all laboratories.

GARTLEY HALL—Halls, lanais, stairways, classrooms and laboratories.

LIBRARY—Halls, lanais, stairways, first floor steps, front lanai and abutments, all second floor including front lanai, mezzanine and third floors, and first floor magazine stacks.

DINING HALL—All parts during lunch hour.

LOCKER ROOMS—All parts.

BOTANY LABORATORY—All parts (on account of fire risk).

CLASS PIN IS FOUND

A McKinley high school class pin, of the 1924 class, was found on the South King street car, Waikiki-bound, by Miss Warren, of McKinley. The owner is asked to call for it at the office, McKinley high school.

Faculty Members Take Part In Pines Confab

Members of the university faculty took active part in the annual meeting of the Pineapple Technologists, which was held last week at the Young hotel roof garden. Among the members of the university faculty who addressed the gathering and entered in the lively discussiin were Dr. A. L. Dean, Dr. C. P. Sideris, Prof. S. Portess, Dr. Romanzo Adams, Dr. W. C. Smith Dr. Illingsworth, Prof. F. G. Krauss, and Prof. F. T. Dillingham.

Francis Abel, Carl Farden, Albert Horner jr., Miss Helen Morita, Miss Beatrice Krauss, and Francis Bowers, U. H. '25, were also among the university people who attended the three-day conference.

"Wee Willie" Whittle Wins Pugilistic Bout

"Willie" Whittle, one of the Deans' star athletes, showed his prowess in another line of sports when he won the decision over Johnny Peterson in a bout held at the big smoker at the Armory recently. They fought four two-minute rounds, Whittle being an easy victor.

JAPANESE STENOGRAPHER WANTED

An urgent request has come from Riverside, California, for a young woman of Japanese ancestry who knows stenography and typing and who understands the Japanese language well enough to translate it and write it. This should be an attractive position. Applications may be made at the office of President Crawford's secretary.

The University Chorus will meet for its second full rehearsal tonight, Wednesday evening, at 7 o'clock in Room 107 Hawaii Hall. Every member is urged to be present.

Commerce Club Meets

The Commercial club will meet this evening at the Blaisdell Hotel. Kazuo Kuwashima, Japanese consul-general, will address the members on the aspects of Japanese Commerce.

"Kanky" Goes To Hilo

Kam Mung "Kanky" Chun, forward on the championship university basketball team, accompanied the A. C. A. cage squad on its jaunt to Hilo and Maui early last week.

On a busy day a woman walked into the office of the court rooms at Atlanta, Ga., and addressing Judge Blank said: "Are you the reprobate judge?" "That is what I was saying," she said, "and I have come to you because I am in trouble. My husband was studying to be a minister at a logical seminary and he died detested and left three little infidels and I have come to be appointed their excutioner."

Your's Now
THE SMOOTH HAIR
YOU'VE ENVIED

Exasperating, the way your hair is forever getting out of place?

Don't put up with it. You can have the hair you've envied—smooth, well-kept, smart!

Stacomb keeps the most stubborn hair in place—all day long. And gives it a fine, healthy listre. Stacomb helps prevent dandruff, too. Not sticky. In tubes 35c, Jars 75c, Liquid 50c.

At all drug stores and general stores.

Rainbow Relays To Be Staged Saturday

Third Annual Carnival Will Be Sponsored By University

(Continued from Page 1)
ler, Hawaiian discus champion, and Cerney, a good middle distance man. The list of events and the Varsity entrants follow:

100 Yd. Dash Novice

The winner of this race will have the honor of having his name engraved on the perpetual trophy presented by Charles Paddock, "the fastest human." In 1925, the year in which the cup was first put up for competition, Teddy Hair, former captain of the Varsity track team, captured this event in 10 1-5 seconds. The following year Joe Gerdes, also of the university team, won the race in 10 3-5 seconds.

This year, William Mountcastle, university track captain, Kam Tai Lee of Mills, Y. Wakatake of McKinley, and T. Daishi of St. Louis, will try for the honors won by their predecessors.

Quarter Mile Relay

The quarter mile relay quartet will be selected from the following: B. Farden, 1925 century champion, J. Gerdes, last year's 100 yards dash champion, A. Giles, former Punahou sprinter, H. W. Ching, W. Mountcastle, Y. Wakatake, W. Whittle, and A. Lemes.

Half Mile Relay

A host of worthy material will be available for this event. The four members of the team will be chosen from B. Farden, H. W. Ching, W. Mountcastle, E. Fernandez, Y. Wakatake, A. Giles, W. Holt and J. Gerdes.

One Mile Relay

The following quarter milers have signed up for the one mile relay: W. Mountcastle, Y. Wakatake, E. Fernandez, A. Giles, H. W. Ching, M. Peterson, W. Holt, and J. Jorgensen.

Two Mile Relay

The two mile relay team will be picked from the following list: H. Low, J. Swezey, T. Maeda, V. Williams, O. Cheatham, M. Peterson, J. Jensen, and J. Jorgensen.

Four Mile Relay

This is the first time in a long while that the university has been favored by the presence of many good milers. They are: H. Low, who took first place in the half mile and the mile at the recent interclass track meet, C. Williams, a promising newcomer, J. Swezey, a miler of note at Punahou, T. Maeda, member of the famous McKinley mile relay quartet, J. Jensen, O. Cheatham, and Harry Takata.

Medley Relay

The participants of the medley, which is composed of the furlong, quarter mile, half mile and the mile, will be named from the following candidates: B. Farden, W. Mountcastle, A. Giles, Y. Wakatake, H. Low, T. Maeda, J. Swezey, and V. Williams.

120 Yd. High Hurdles

W. Whittle, last year's high hurdles champion, is again entered in his favorite event. W. Vannatta a place winner last year, L. Ferreiro, Kauai High school's best timber-topper, Kam Tai Lee, former Mills school hurdler, and H. W. Ching have signified their intentions of competing in this race.

Half Mile Walk

Jack Myatt, who displayed great form in this event at the interclass track meet, is out to give Bill Meinecke, Helbush and other veterans the keenest kind of competition. J. Jensen and M. Dease, also, have signed up for this event.

220 Yd. Low Hurdles

Eddie Fernandez, former territorial hurdlers champion, will compete against Melim and McGuire of the Outrigger club in this race. Other Varsity entrants are: Kam Tai Lee, H. W. Ching, L. Ferreiro, and W. Vannatta.

16 Lb. Shot Put

Members of the university football

Prof. T. M. Livesay To Be Delegate At Confab

Prof. Thayne M. Livesay, head of the department of education at the University of Hawaii, has been appointed to represent the Association of the departments of education in land grant colleges and state universities, at the Educational conference which will be held in Honolulu in April. Last week's Ka Leo erroneously quoted him as representing the University of Kentucky.

University Students Play Sunday Night

Several university students are in the cast of "The Sword of the Samurai," a two-act play to be given at the Central Union parish house next Sunday evening, April 3rd, at 7:30 o'clock, and at the Mission Memorial hall at 7:30 o'clock Friday evening, April 8. Miss Gertrude Kadota will take the role of "Yuriko," the fiancée of the young hero of the play; Masao Yamada will be "Saburo," a fisherman; and Shunzo Sakamaki will be "Masa-kiyo Saito," an aged genro of old Japan. The two performances are open to the public.

team will heave the pellet for the Deans. They are: A. Wriston, A. Kaaua, M. Peterson, W. Kaeo, next year's Varsity football captain, and M. Heminger.

Discus

This event will also be participated in by the football men. A. Wriston, W. Holt, A. Kaaua, E. Fernandez, and M. Heminger will uphold the honors of Hawaii in the plate-tossing contest.

Javelin

The harpoon event will be in charge of Antonio Cruz, W. Holt, W. Kaeo, and A. Cornelison. A. Cruz learned to throw the spear in his native land, Guam.

Hight Jump

W. Holt, M. Peterson, M. Heminger, and W. Whittle will represent the Varsity in the high jump. W. Holt has a good chance of placing in this event.

Running Broad Jump

Varsity will be strongly fortified in the long jump. H. W. Ching and A. Lemes, the two best broad jumpers in the islands, will fight out for first place in this event. The other contestants are: J. Gerdes, W. Whittle, W. Holt, and W. Ho.

Pole Vault

The university has always been weak in the pole vault. This year, however, Isaac Smythe, Kim Fan Chong, and J. Jensen will endeavor to secure a place for the Deans.

Taking everything into consideration, the university has a well-balanced team. With this lineup and the moral support of the student body, the Varsity track team should make a strong bid for the Carnival championship.

Ten students have signed up for the Aggie club checkers tournament, including Francis Fong, George Hirashima, James Shin, Fred Paoa, Bernard Farden, Jack Myatt, Thomas Murray, Shikata, Lau, and Stewart Tashiro.

Ching, Wright Win Ka Leo Proof Competition

(Continued from Page 1)

Fifteen minutes were allowed for the second contest, in accuracy. A page of Ka Leo, of one of the previous issues, was selected, and the twelve or so contestants started together. The papers were corrected by Professor Baker, who graded the contestants on a percentage basis, checking up on the mistakes correctly found, mistakes not found, and "mistakes that were not mistakes."

Wright Wins First

Wright scored highest, at 43.59%, with Hung Wai Ching second at 40.70%. Masao Aizawa placed third with 29.97%, and Chitoshi Yanaga was a good fourth with 29.08%

The other contestants were rated as follows: Kameju Hayakawa, 23.04%; Miss Gladys Pearce, 18.50%; Percy Smith, 15.36%; Oliver Yanaga, 15.00%; Dean Ishii, 14.00% and Miss Ruth Liu, 11.42%. Miss Rose Achuck and Robert R. Thompson did not finish. Shunzo Sakamaki, editor of Ka Leo, entering as non-competitor, scored 67.62%.

Entomology Students Visit Pineapple Field In Study

The entomology class went on a field trip to Dr. Illingworth's pineapple patch (below the botany building) on Friday afternoon, March 25, to study pineapple insect pests and their parasites and predators.

Pre-Medic Club To Meet At 12:30 Today In Room 103

The Pre-medic club will hold an important meeting at 12:30 today, March 30, in Room 103. All members are urged to attend.
